iLan Epstein

(513) 696-9653 | iLan@mentalfabrications.com

Summary

I thrive in creative problem solving. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in Typescript, React, NodeJS, Python, and numerous frameworks and libraries. Strong background in management, leadership, and collaboration. Always striving to be continuously learning.

Experience

Co-founder   **2021-present**
Radious   **Seattle, WA (remote)**
- Architected and built the front-end of the radious.pro website
- Refactored the entirety of our back-end codebase to ensure we could deliver new features in a timely manner
- Plan & facilitate brainstorming sessions for new product features

Lead Member of Technical Staff (Shared Widgets team)   **2020-2022**
Tableau/Salesforce   **Seattle, WA (remote)**
- Ensure a consistent and high quality user experience by acting as the bridge between design & dev, and generating documentation
- Responsible for ensuring our widgets meet WCAG 2.0 guidelines

Senior Software Engineer (Filters team)   **2017-2020**
Tableau   **Seattle, WA**
- Won 1st place in a company-wide hackathon for a new product idea
- Mentoring junior developers and intern(s)

Associate Technology Director   **2016-2017**
frog   **Seattle, WA**
- Responsible for gathering requirements, customer interviews, choosing which technologies fit best for projects, managing client expectations, and helping to guide other developers
- Architected the front-end of a talent marketplace app and guided 80+ person offshore dev and design team

Senior Design Technologist   **2010-2016**
frog   **Seattle, WA**
- As a Design Technologist, my role is to imagine, prototype, and deliver state-of-the-art UX across platforms and devices
- Built a fully interactive prototype of an automotive infotainment center which was installed in and communicated with vehicle data

Education

BFA in Glass **2005**
The Ohio State University **Columbus, OH**
- Graduated Magna Cum Laude with distinction
- Maintained Dean's List status throughout enrollment

AS in Industrial Design Technology **2002**
Art Institute of Pittsburgh **Pittsburgh, PA**
- Received Dean's Award for academic achievement
- Two sculptures chosen to represent AIP in the school showcase

Skills and Proficiencies

General - HTML, CSS, Typescript, NodeJS, JSON, Python, UX design, DLS
Frameworks - React, NextJS, Svelte, Flask, SQLAlchemy, Angular
CSS Preprocessors - SCSS, LESS, Stylus
